

I am writting in regard to the NAB's petition 04-160. I choose to pay for XM Satellite Radio because I like the variety and quality of the channels available. XM Radio gives me choices that are not available in my local area, like Jazz music. When I am traveling I like the traffic and weather reports. Regulations must not limit competition. I respectfully urge you to reject the NAB's petition 04-160.
